

CITY of CLINTON

Public Works Department

2009 SPRING CLEAN-UP DAY **MONDAY APRIL 6th**

The City of Clinton Public Works Department has announced that **Spring Clean-Up** will be performed on **Monday April 6th**. Public Works crews will be collecting items that normally are not collected during household garbage pick-up and taking them to the Chestnut Ridge Landfill. Residents should place refuse and rubbish items beside the street, ensuring that nothing protrudes into the street or obstructs sidewalks, utility poles, water meters, fire hydrants, or mailboxes.

Public Works crews will be following a scheduled route to make collections one time on each street. Items for collection **MUST** be placed at the curb by **7:30 a.m. Monday April 6, 2009**. Once a crew has cleared an individual street, they will move to another area and will not be able to return for a second or late collection. **The maximum quantity of items per household is the equivalent of one pick-up truck load.**

Items for collection may include:

- Water heaters, stoves, mattresses or box springs, furniture, and appliances.

Recyclable items (newspapers, magazines, plastics, cardboard, glass, and cans) should be separated so we may deliver them to our Recycling Center, rather than the sanitary landfill.

Crews **will not** be able to collect the following:

- Tires
- Building materials or debris from remodeling
- Hazardous materials (paint, solvents, batteries, petroleum products)
- Air conditioners, refrigerators, freezers

(Some hazardous wastes may be disposed of on certain collection dates. Call Anderson County Solid Waste at 463-6845 for details.)

Brush and Leaf Collections are covered under a separate schedule and policy.

Residents with questions or comments may e-mail lmurphy@clintontn.net or telephone 457-6495.
