

Acknowledgement of COVID-19 Compliance,
City of Clinton, Swimming Program Liability

The program offered is in compliance executive orders issued by Governor Lee and guidelines from the CDC. Compliance with the guidelines minimizes the risk of exposure to COVID-19 but cannot eliminate the potential of exposure. If the participant (you or your child) has a compromised immune system, we do not recommend participation in this program at this time. Our camp and staff will provide the safest environment possible by following current guidelines and committing to follow any additional requirements made by federal, state, and/or local regulations. If it becomes apparent a quality experience cannot be provided while in compliance with the recommended guidelines, the program will be cancelled and any paid fees will be fully refunded.
